"Abortion: A Rational Look at An Emotional Issue" by R.C. Sproul

Prayers to Stop Abortion

- Pray for a spirit of repentance regarding our own lackadaisical concern for the killing of unborn children. Ask God to show you how you can be involved in the solution. Ask God to give our nation a corporate spirit of repentance regarding the atrocity of abortion.
- Pray that the truth about abortion and the abortion industry will be made known.
- Pray for the workers involved in abortions that God would open their eyes and grant them repentance and faith in Christ.
- Pray for our legislators that they would vote to defund all tax-payer funding of abortion, including Planned Parenthood and any other such providers.
- Pray for upcoming judicial appointments to be judges with a commitment to the sanctity of life.
- Pray for a complete failure of the abortion industry through financial collapse, disunity and conflict among personnel, confusion in procedures and business practices.
- Pray for those considering abortion that they would choose life for their unborn children.
- Pray for those who have suffered the tragedy of abortion that they would find the mercy and forgiveness of God and compassionate care and understanding from God's people.

Pray for the many pro-life pregnancy centers that reach out to women in crisis pregnancies to offer hope, compassion, the love of Christ and genuine care. Local centers include: Hope Resource Center of McKinney; Real Options for Women (Plano); Pregnancy Resource Center (Rockwall).
